14 April 2020

Dear Parents & Guardians

NEWS FLASH

So, the lock down continues. We are in constant contact with the Department of Education and will ensure that we keep you abreast with notifications which we receive. There is currently a draft proposal on a curriculum recovery plan, as soon as it is finalised we will share it with you.

In the meantime, we continue with online learning and strive to get through the syllabus as best we can.

We are happy to report that between 80% & 90% of our learners are active and involved with online learning, we are aiming for 100%. Please encourage your children to keep in touch with their teachers and hand in assignments on time. We are making direct contact with parent's whose children are not actively involving themselves in this process.

We wish to thank each of you who are managing to keep your school account up-to-date. An updated account has been sent out today as a reminder. Please contact Mrs Sterley to assist you with various ways to settle your account. We recognise there may be income challenges, please keep us informed.

Be assured that you are in our prayers during this difficult time, please feel free to share with us and we will endeavour to assist in any way we can. Our educators are dedicated to ensuring that not one learner is left behind.

Reminder:

To contact a specific teacher by email:

All our teachers' email addresses end in @helderberghs.co.za

initial.surname@helderberghs.co.za i.e. z.christian@helderberghs.co.za.

All teachers' subjects and email addresses are also available on our website.

Helderberg High greetings

Regards

pp

Mr A R Basson
