NEWS LETTER

Dear Parents / Guardian

To all those learners who participated in the Spring Walk, WELL DONE and thank you for taking part and making the day a pleasant one. We were blessed with good weather and no injuries, except a few sore muscles. Thank you to all parents who donated the abundance of prizes. Great fun was had by all. Thank you to Mrs Venter and the PTA Committee members who were involved in the organising of this event.

The amount of R 17 649.10 was raised and the grade 8's collected the most per capita and will have a day off on Monday, 11 October 2021.

END OF TERM

We would like to notify parents that classes will finish at 11:15 on Thursday, 23 September 2021 and re-open on Monday, 11 October 2021. Reports will be handed out to the learners on Thursday, 23 September 2021. Should reports not be collected on Thursday for any reason, they will be handed out at the beginning of the new term. Please note that the marks on the reports for term 2 may differ from the last report, due to the Educational Department changing the weightings of the assessments during the year.

Please remember that report cards will only be released to learners whose accounts are up-to-date. Accounts still in arrears on 11 October 2021 will result in learners not being permitted to return to school for the fourth term. We thank you for understanding and taking action where necessary.

The office will be closed from Friday, 24 September 2021 and will re-open on Monday, 11 October 2021.

PRIZE GIVING & VALEDICTORY SERVICE

Parents are also reminded of the Prize Giving that will take place on Thursday, 21 October 2021. It will only be a condensed Prizegiving due to COVID 19. Learners will be advised who may attend, a streaming option for those not in attendance. We look forward to sharing this event with you.

The Matric Valedictory service will take place at 9:00 on Friday, 22 October 2021, all matrics and their parents are invited to attend. This event will also be streamed.

NOVEMBER EXAM TIMETABLE: Gr 8-11

November examination timetable will be available at the beginning of next term. The matric timetable is available on our website.

RECONDITIONED COMPUTERS FOR SALE

The school was fortunate to receive a donation from the class of 1975 and the lab computers and furniture have been upgraded. As a result of this generous and kind way our alumni has shown their support, there are a number of machines that will work quite amply for online classes should you be in need of such.
