21 April 2021

Dear Parents and Guardians

We are happy to announce that we have caught up with most the activities missed at the beginning of the year, ending our first Term on a high note!

School will be closing for a short break **on Friday, 23 April 2021 at 11:00**, as previously announced. You are reminded that our term dates are on our website. I am certain that you and your family, especially those who have younger siblings in government schools, will enjoy this break together.

We are indeed grateful that we could start this school year early (21 January) and that there have been no covid instances that disrupted the completion of term one's curriculum. I would like to encourage our Matrics as well as those learners whose report cards indicated a need for improvement, to try spend 2-3 hours each day during next week, placing themselves in a stronger position for the exams which are just around the corner.

We look forward to welcoming you all back, on Monday, 3 May.

Best Regards

AR BASSON
