## NEWSFLASH

7 August 2020

Dear Parents and Learners

Hope you are all fine and healthy, and that the COVID pandemic draws to an end soon.

### **Report Cards**

I wish to bring the following to your attention. The report cards (emailed to you on 7 August) is indicative of how your child has performed, mostly based on informal assessments. Please keep in mind that no comprehensive examinations were written, and hence the results may be unusually high.

### **Remote Learning**

Please be reminded that learners who receive online education must participate and be present in classes from home and must come to school to write tests on the day when the test is scheduled. Learners cannot choose when they wish to come and write their tests. We also prefer that they write the tests in the particular class room, there is sufficient space for social distancing. Learners will only be allowed to write their test in a separate venue at the request of a parent and with the consent of the school.

### **Gr 12 Prelims**

Our prelim exams for Grade 12 learners have been scheduled from **14 September to 19 October**. The prelim and test timetable for the Grade 8-11 learners will be posted on our school's website.

### **School Holiday**

Monday, 10 August is a public holiday and Tuesday, 11 August is a school holiday day, there will be no school on these two days. We will return to school on Wednesday 12 August which marks the start of Term 3.

### **Recycling**

Please help us collect white office paper, brown corrugated cardboard boxes and mixed paper (i.e. old magazines). You can insert any old paper items in the slot at the Mpakt green bin. Please don't leave any recycling next to the bin.

We thank you for your support during these trying times. I am sure that we will all come out stronger once the pandemic has run its course.

Best Regards

**MR AR BASSON**
